If you do not agree with any part of these Terms, you must stop using the Service.

2. Description of the Service

The Service provides a free tool that allows users to create shortened URLs that redirect to third-party web resources.

The Service is provided free of charge. The Owner reserves the right to modify, suspend, or discontinue any part of the Service at any time without prior notice.

3. User Responsibilities

By using the Service, you agree that you will not use it to:

- distribute malware, viruses, or harmful code;
- engage in phishing, fraud, or deceptive practices;
- distribute spam or unsolicited communications;
- link to illegal, harmful, or unlawful content;
- violate intellectual property rights;
- promote violence, hate, discrimination, or illegal activities;
- attempt to interfere with the proper functioning of the Service.

You are solely responsible for the content of the destination URLs you shorten.

4. Link Removal and Suspension

The Owner reserves the right to remove, disable, or block any shortened link, as well as suspend or restrict access to the Service, at any time and at its sole discretion, especially in cases of violation of these Terms.

The Owner is not obligated to provide prior notice or explanation.

5. No Monitoring Obligation

The Service does not actively monitor or control the content of destination websites.

However, the Owner may review and remove links if deemed necessary.

6. Disclaimer of Warranties (“As Is”)

The Service is provided on an “as is” and “as available” basis.

To the maximum extent permitted by applicable law:

- The Owner makes no warranties, express or implied, regarding the reliability, availability, accuracy, or performance of the Service.
- The Owner does not guarantee uninterrupted or error-free operation.
- The Owner does not warrant that the Service will meet your expectations or specific requirements.

Use of the Service is at your own risk.

7. Limitation of Liability

To the fullest extent permitted by applicable law, the Owner shall not be liable for:

- any indirect, incidental, special, consequential, or punitive damages;
- loss of data, loss of profits, or loss of business opportunities;
- damages resulting from the use or inability to use the Service;
- content accessed through shortened links.

In any case, total liability shall not exceed the amount paid by the user for the Service (which is zero, as the Service is free).

8. Intellectual Property

All rights, title, and interest in the Service, including software, branding, and design, remain the property of the Owner.

You may not copy, reverse engineer, modify, or distribute any part of the Service without prior permission.

9. Privacy

The Service may process limited technical data (such as IP address, browser type, or analytics data) necessary for operation, security, and abuse prevention.

10. Changes to the Terms

The Owner may update these Terms at any time.

Continued use of the Service after changes become effective constitutes acceptance of the updated Terms.

11. General Provisions

If any provision of these Terms is found to be invalid or unenforceable, the remaining provisions shall remain in full force and effect.

These Terms are governed by generally accepted principles of international commercial practice, without reference to any specific jurisdiction.
